ACKNOWLEDGEMENT

The first thing, I would like to thank all of the associates who have worked with me for their valuable suggestions and constructive feedback.

I wish to express my sincere gratitude to the e-Projects Team at the Aptech Head Office and my project guide at the organization, for her valuable guidance and support for the completion of this project.

I also express my gratitude to the e-Projects Team at the Head Office, who guided and helped me. I would also like to express my gratitude to all the staff members of my center for not only providing me with the opportunity to work with them on this project, but also for their support and encouragement throughout the process.

And finally, I would like to offer many thanks to the Project so I can handle my knowledge

SYNOPSIS

The 'FUN ZONE' Most Entertaining Theme Park, is one of the best ideas executed in the amusement entertainment industry .The website which they demand is suppose to provide user friendly environment and navigation.

The important menu must be stated in the top section of the webpage. Also a decent look out and color combination is expected.

The website is to be developed for the Windows Platform using HTML5, JavaScript and Geolocation. The site should work well in all leading browsers including Chrome, IE, Firefox..

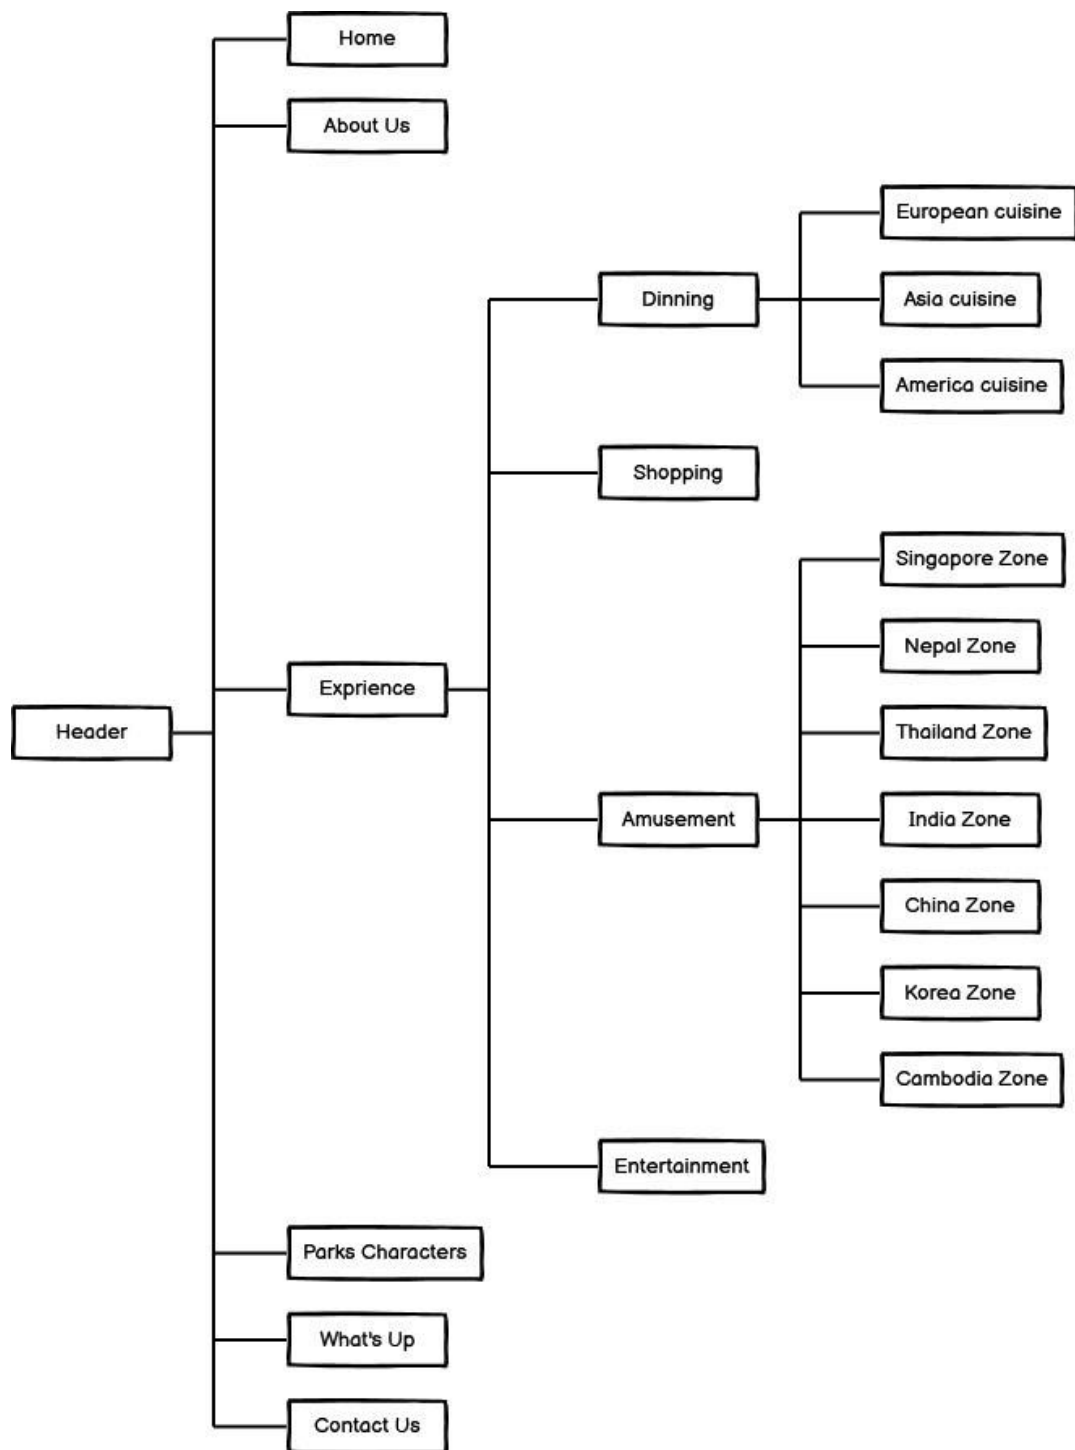

REVIEW 1

REQUIREMENT SPECIFICATION

The Website is to be created based on the following requirements.

1. The Home Page should be created making use of Frames with a suitable logo
2. The site should display a menu with following categories:
 - EXPERIENCE
 - LEISURE & DINNING
 - PARKS CHARACTERS
 - WHAT'S UP
 - PARK INFORMATION
 - BUSINESS OPPORTUNITIES
3. 'EXPERIENCE' menu option should provide an overview of the entire park with proper maps and brief information on the sections in park.
4. 'LEISURE & DINNING' menu option should provide information on food section with outlet details. It can also be organized brand wise. When a user selects any particular brand, a list of products for that brand will be displayed
5. 'PARKS CHARACTERS' menu option should provide details about the characters in the parks and a small story should be associated to them.
6. 'WHATS UP' should provide details of past and upcoming events.
7. There should be a "Contact Us" page which will have the Address of the Company which is as follows and the mail address which when clicked will invoke the local mail client from where they can send an email. Address of the Company should be displayed using GeoLocation API (eg. GoogleMaps).

SITE MAP

4. Hardware Requirement:

- A minimum computer system that will help you access all the tools in the courses is a Pentium 166 or better
- 64 Megabytes of RAM or better

5. Software Requirements:

- Visual code

ARCHITECTURE & DESIGN OF THE SYSTEM

WEBSITE LAYOUTS

Here are our layouts which will show you how we brainstormed ideas for the FUN ZONE web pages. Because of being academic website, we tried to build them SIMPLE but USEFUL and INFORMATIVE as much as possible.

The website is going to have several pages which include different information in the same main layout.

1. Homepage:

- Page-header and Navigation bar:

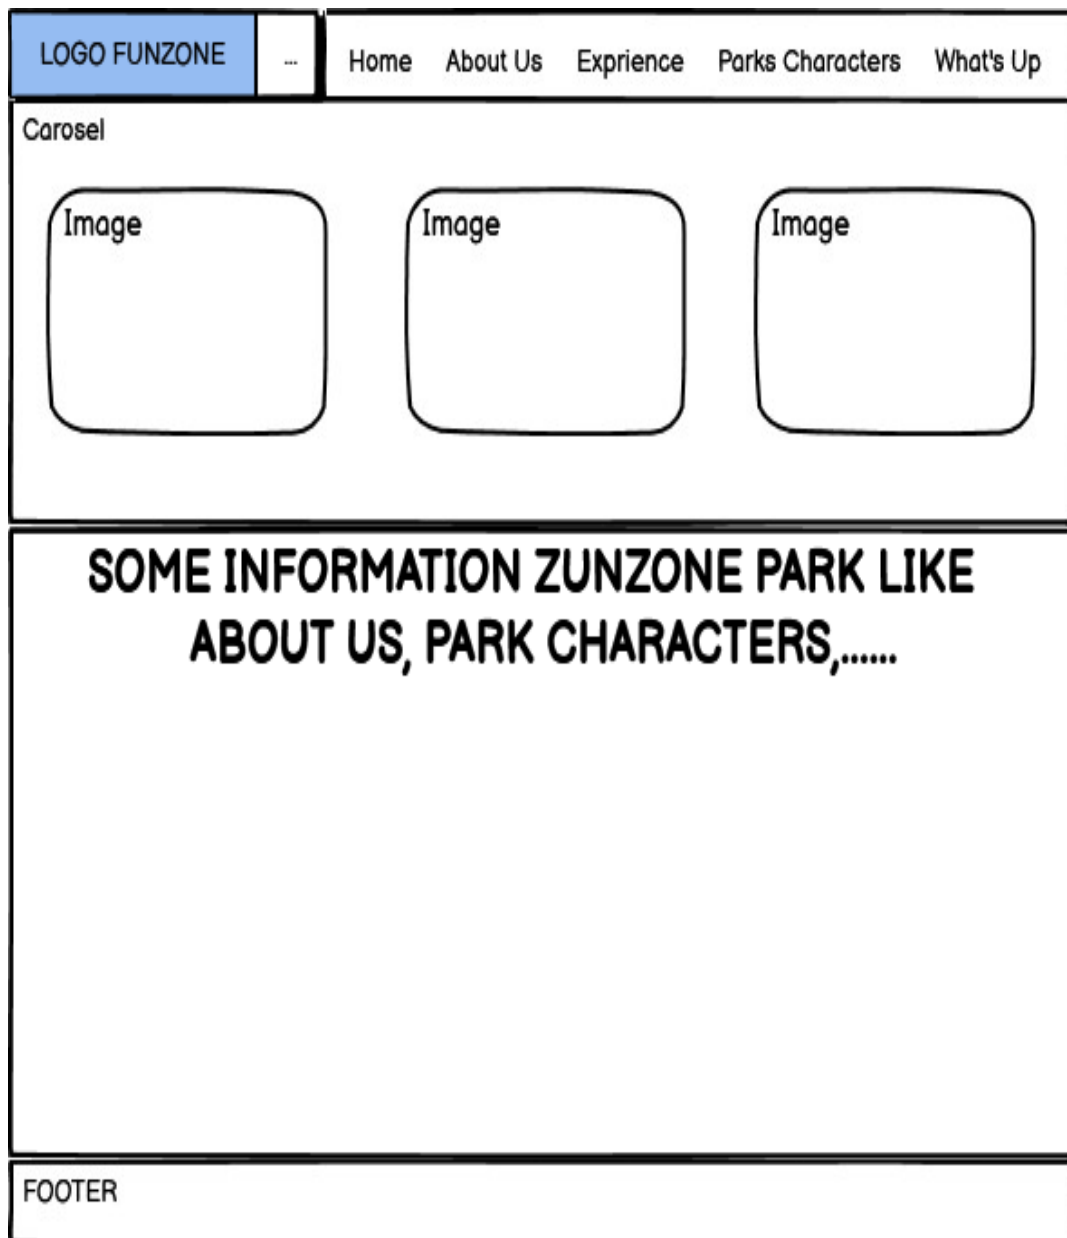

Page-header must have FUNZONE logo and other links like contact us. Navigation bar is one of the most crucial sections in the whole website which will indicate people how they interact with us. It provide some information like Home, About us, Services,. . . .Each section must have brief information.

- Content:

This part is customized belong to the title of the individual websites, especially Homepage with some descriptions about the FUNZONE history and its summary development throughout the years.

- Footer:

The final part of all our websites is definitely Footer which will reveal some convenient ways to contact the park in different social channels like Email, Facebook, Twitter, Skype...

2. Experience

- Amusement, Parks Character:

This layout we will apply for pages which provide people different information about 7 wonders of the world, a massive food court and other areas ensuring 360 degrees of sheer entertainment. It also has the same Page header, Navigation bar and Footer as Homepage, but the main content is changed.

TASK SHEET 1

HOME ABOUT US EXPERIENCE PARK CHARACTER WHAT'S UP CONTACT US

After to commence on a world class amusement complex of Vietnam, Sun Group opted for Dongang – a coastal location, close to the historic capital, southern of Vietnam to be the site for a great amusement and entertainment park by the name of Sun World Dong Dang.

Spanning a total area of 888,000sqm on the western bank of Hen River, Sun World Dong Dang's amusement park blends a string of unique and iconic features of entertainment models all over the world and an original touch of Oriental culture. Sun World Dong Dang comprises three major zones: a modern outdoor park, a cultural park that consists of mini architectural works and artworks to symbolize 10 Asian countries, and the Sun Wheel – a hybrid ensemble of the old and the new.

THE LEGENDARY PLACE

A famous tourist attraction in Dongang

Sun World Dong Dang Amusement Park offers a series of unique games that are adapted for the first time in Vietnam. Real board game-like games include roller coaster, waterfall, laser and big wheel, etc. are expected to provide you all with most exciting experiences.

The cultural park is a re-enactment of the Oriental, reach through replicas of diverse cultural landmarks, architectural and historical sites, art performances and traditional cuisines of 10 Asian countries, namely Japan, Indonesia, Singapore, Korea, India, Nepal, Thailand, Cambodia, China and Vietnam.

DIVERSE CUISINE

Local and authentically Asian restaurants will not disappoint discerning foodies with perfect treats for your energetic and vibrant trip in Sun World Dong Dang.
